## Description

## Classima 10415

**QUARTZ WATCH WITH DATE - 42 MM**

A striking 42 mm date watch for men, the Classima 10415 contrasts the luxury appeal of a silver-colored dial in a sun-satin finish with elegant gold plated hands and Roman numeral time markers. It comes with a red-brown leather strap and steel case and features a classic date aperture at 3 o'clock, making it a fitting wristwatch for the modern gentleman who appreciates tradition. The watch is powered by Swiss made quartz movement.
